THE BEARDEN ECHO

1962

BEARDEN HIGH SCHOOL KNOXVILLE, TENNESSEE
PATTI WASMANSDORFF, EDITOR

FOREWORD

Education is a door--A gateway to the fuller, richer life. Look through these portals. See and remember the opportunities and challenges that are presented through experiences at Bearden High School.

We, the annual staff of 1962, hope that by symbolic and pictorial representation of the past year, we may capture and retain memories for future reminiscing. We present the GOLDEN CHARMS OF BEARDEN HIGH SCHOOL.

DEDICATION

To a woman who lives before us in a silent manner but has set a wonderful example to all who have been under her leadership or in association with her in any way . . . To one whose qualities of friendliness, loyalty, and guidance have won a place of high respect, deep admiration, and warm affection among both the student body and faculty. With deep appreciation for her service to us as a counselor and friend we dedicate this, the 1962 Echo, to Miss Frances Prince.

If it were not for the Administration behind us, giving us a helping hand here and discipline there, we would not be the people we are today. Your guidance has helped in the formation of memories which happily end our high school career and make us ready to take that important step forward into the world of tomorrow.

ADMINISTRATION

MR. TURNER

For the past twelve years, our principal, William R. Turner, has strived to make Bearden the excellent school that it is. No one could have shown more patience nor could have worked harder than Mr. Turner has for the betterment of our school.

As our school has grown, so has our administration with the addition of an assistant principal, Mr. Kenneth Blades. His friendliness and humor, as well as his efficiency make him a welcome addition to the office staff.

When the books close, and the last bell
rings,
And carefree days are lost to mundane
things--
When nostalgia strikes, and your mem-
ory wanes,
And you remember the faces but not
the names,
Pick up your yearbook and leaf it
through,
And remember the days so dear to you.

When September arrives
And activities start,
Much fills our days,
We can't tell them apart;
We cherish them all,
But our memory's not clear,
So in order to keep them,
We've stored them in here.
Now as they all happened,
We've recorded each treasure,
And when we have finished,
You can read them with pleasure.

The William R. Turner Chapter of the National Junior Honor Society, established at Bearden in January, 1960, with twenty-one charter members, was named in honor of our highly respected principal. Since the purpose of the society is to create enthusiasm for scholarship, stimulate a desire to render service, promote leadership, scholarship, leadership, character, and service are the qualifications necessary for membership. To become a member a student must have at least a 3.0 average and be a freshman or sophomore in high school. Among its many projects are selling each member's services, giving a tea for the teachers, and giving scholarship awards at the end of the year.

FTA is a club composed of high school students interested in the teaching profession. The club has a program with Bearden Elementary School through which members can gain experience in teaching. In the absence of a teacher, an FTA member is often asked to substitute. They also assist the teachers in grading papers and with classroom projects. This the State Future Teachers Convention was held in November in Nashville. There were discussion groups and workshops for officers. Each year the club gives a \$100 general scholarship to a deserving senior.

AFS CLUB

This is the first year for the American Field Service Club. The club's main purpose is to raise \$650 to bring a foreign student to Bearden High School. This money is donated by various clubs of the school and by the students themselves. The money is collected during AFS week, at which time a foreign display is shown at school. On one day of this week, all of the AFS students in Knoxville come to our school and tell us about their respective countries. These speeches help to inform the students about the American Field Service Organization.

This year's finalists to be American Field Service Students Abroad are Jamie Fowden, Sheila Beardsley, Bill Brockmeier, and Betty Lee Ihle.

President	Irene Present
Vice President	Jane Oliver
Secretary	Faye Krapf
Treasurer	Calvin Wright
Program Chairman	Sally Campbell

With the addition of French to our language department, the French Club has been formed. The club meets once a month and has a program. The programs have included slides on France, a study of French customs, dress, and personality, and French Christmas customs. Evelyn Fradman, foreign exchange student from France, spoke to the club on a teenager's life in France. Plans are being made for a project to raise money to help equip a language lab. This would aid in all spoken languages being taught at B.H.S.

POWDER PUFF

The Powderpuff Football game, played by the juniors and seniors, is sponsored by the Alpha and Gamma Tri-Hi-Y Clubs. For this annual event the members of these two clubs practice for weeks, training for the rough game. In addition to the game, boys are selected to be cheerleaders and majorettes, and in a half-time ceremony a football "queen" is crowned. This annual project which was started four years ago serves not only as a highly successful money-making project, but also gives the school thoroughly enjoyable entertainment.

Ronald Anderson crowned Queen by Gail Fuller.

Although studies for the most part
occupy our minds;
We also indulge in sports
of all kinds .

Football is a favorite it's
easy to see;
'Cause what would Winter
without football be?

Then there's basketball, track,
and baseball that keep
our school in a rage;
To find out all the
athletic details simply
turn the page!

ART CLUB

Although the Art Club is relatively new to our school, there are few, if any, clubs which exceed it in service to our school. Each spring the Art Club displays the work in the front hall which they have completed during the school year. At Christmas they are responsible for the lovely Christmas scenes on the classroom windows. For the Youth Appreciation Parade the Art Club works hard on the decorations for the cars, making the signs and furnishing the cars.

SITTING: David Neille, Ilajo Wilen, Sue Cox, Donna Survilla, Jerry Jenkins. STANDING: Mrs. Heilman, Kim Cuisic, Carol Teague, Jerry McMillan, Hugh French, Leslie Sisman, Norman McLean, Sue Henson, Patty Padgett, Sally Beardsley, Nathalee Aurcrumen, Faye Bledsoe, Sue Burleson, Joe Moore, Vernon Bradshaw, Carol Valentine.

PROUDLY PRESENTING . . .

The hush of an empty theatre . . . anguish of rehearsals . . . casting . . . grease paint . . . lighting . . . designing and redesigning of sets . . . watching the sea of faces over the footlights on opening night . . . and another play is born. The members of the Thespian Club have experienced a successful year as they presented various shows for the entertainment of the students and community.
